

OFFICIAL COMMUNICATION

April 20, 2020

Good afternoon FTI students.

Governor Ron DeSantis and Commissioner of Education Richard Corcoran recommended that all Florida public and private schools continue distance learning and keep school campuses closed through June 3rd, the remainder of the 2019-2020 academic year.

Flagler County Schools is following this recommendation and will continue virtual learning through June 3, 2020. This week begins our 4th week of virtual learning. Our instructors and students are doing an amazing job! I hope that you have had an opportunity to see the videos of fantastic learning opportunities taking place virtually on Facebook and Twitter.

An official decision regarding **graduation** has not been made yet. Graduation is usually a large gathering at the Flagler Auditorium. Although we cannot gather in the traditional method for our 2020 graduation, we are working hard to create something special for those of you graduating this May.

Today, you were emailed a link for a **quick survey** regarding how COVID-19 has affected you. Please take a few minutes to fill it out. Once you fill in your contact information, it is only 7 questions. It is important that we hear from each of you, as this survey may affect future funding opportunities for our students.

Thank you for your continued understanding and cooperation as we work through this unprecedented time together.

Renee Stauffacher
